INTRODUCTION

ABOUT US

Project Support Services, Incorporated (PSS) is a Service Disabled Veteran-Owned Small Business providing professional services to federal agencies and corporations. Since 1999 PSS has supplied such services and support through the placement or use of consultant and full-time personnel. PSS enjoys an excellent reputation for providing highly motivated and talented personnel by focusing on client mission objectives and employee retention.

STRENGTH & FLEXIBILITY

Project Support Services operates with a vision that there is a better way to help our customers meet their objectives other than being “just another government contractor.” Our managers have real-world experience in government and commercial service and recognize that our clients simply need to get the work done. We help you make progress by providing people who are excited about being a part of our company and part of your solution. Our objective is to make progress easier for you to achieve – no matter what additional skill sets your team requires.

EXPERIENCE

PSS’s proven methodologies to meet your mission goals are derived from our management team’s over 125 years of experience and knowledge in providing services in:

- Contract Administration
- Professional Security/Facility Management
- Organizational Development
- Construction Project Management
- Program Management
- Engineering Services
- Information Technology Management
- Technical Security
- Training
- Public Administration
